

Booking Engine | Room Description

The "Select Room" page of the Booking Engine displays the available rooms for the dates selected.

Each Room Type has a description, Image Slideshow and Room Type Amenities customized in your Setup Area. To edit these information, please follow the instructions below.

NOTE: The label "Room Type" may be different for your property depending on the Label settings you entered. For example, you may have named your Room Types: "Suites", "Cabins", "Types", etc. Regardless of the label you use, follow the steps outlined below to change your Room Type Thumbnail images.
