

MyGuest | KPIs and Dashboard

The Dashboard is a collection of KPIs (key performance indicators) that your MyGuest has recorded. If you are using the Housekeeping App, it is a different set of KPIs but a similar concept, specific to the Housekeeping area.

MyGuest Dashboard

Housekeeping App Dashboard

MyGuest
• MyGuest Launching MyGuest • MyGuest Check Settings • MyGuest Requests • MyGuest Add Request As Staff • MyGuest Handling Requests, Notifications, and 'Escalated Requests' • MyGuest Complete Requests • MyGuest SEARCH Request • MyGuest Request Reports • MyGuest MyPMS User Access • MyGuest SEARCH Guests • MyGuest KPIs and Dashboard • MyGuest Management • MyGuest MyPMS Integration • MyGuest Self Check-in Integration • Mobile Housekeeping App ◦ Incident Report ◦ Mobile Housekeeping App User Guide
