

Out of Order Rooms Reports

The **Out of Order** Rooms Report will give you a list of Out of Order rooms during a date range or a specific date. The Report includes the Room, # of days out of order, lost revenue and the reason.

Go to **REPORTS** Tab and choose the Out of Order Rooms Report under the Housekeeping list .

- Choose a single date or date range for the Report from the Calendar.
- Generate Report in HTML, EXCEL or CSV

If you need to extend an OOO assignment, there is no way to EDIT it to be longer, but you can add a new Out of Order for the duration desired. If

you need to remove an OOO assignment, find it on the Tape Chart and click the  to make the room available.
