

# Sales Report

This report provides data on your sales, which have been made as Cash Sales or those attached as Accounts to a Booking or Group Booking. The Sales Reports allows you to sort your sales data per:

- Register - Generates sales invoices by register (requires the Point of Sale Module). (See "Configuring the Inventory System" on page ix
- Guest - Generates itemized sales invoices by guest.
- Type - Generates itemized sales invoices by room bookings and group bookings.
