

Admin | Housekeeping

The Admin - Housekeeping function makes it easy to organize Rooms into Groups and customize the Housekeeping area on the Front Desk.

Create Groups by building, floor, housekeeper name or any other customized name that works for your property.

These customized Groups make it easy to print Maid Sheets for each Housekeeper and will also customize the display in FRONT DESK | HOUSEKEEPING with Rooms sorted into each Group.

- Then, select the units you want to add to the group by putting a check mark next to the unit.
- Then, click "Add to Existing Group", select the Group and click Add.
- To remove a unit from a Group.
